

7.2.1 Describe the two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices I: Placement Programme

Goal: To make the students' maximum resourceful, productive and reach greater professional heights as per the need of present time.

Context: The College primarily focuses on students all activities such as educational, cultural and employability empowerment. Placement programme starts at the beginning of every academic year. Career counseling and placement cell create awareness among students regarding job opportunities in public, private and government sectors.

Practices: Placement cell implements different procedures and techniques which are helpful to students for recruitment. The College provides recruitment information of government and non-government jobs to students from time to time. Placement cell makes efforts on campus placement. In this process guest lectures and seminars are arranged on aptitude preparation, communication skills, group discussion, interview skills and technical knowledge. Regular aptitude tests and mock interviews are conducted. Student's profiles are sent to various companies, according to their need and requirement company approaches placement cell.
